My dear Sir

May I be kindly permitted to place on paper for your kind orders regarding the daily allowance given home.

When I was appointed personal clerk, which post was graded with Deputy Assistant Commissary though I was getting 70 Rs a month, I was, with the other P. Clerk allowed to draw the Batta allowed to Dy Assistants viz Rs 1-8-0. I drew the same when I was getting 85 Rs the first increment

And then Secretary Seward gave _____ us a higher rate of Salary. We are getting from $1500 a year equal to that of the last-grade Auxiliaries which was the grade the Personal Clerks acquired after two years service. What I beg to represent is, that we may be given the daily allowance given to the Auxiliaries. I hope this will be considered a reasonable prayer, as I understood, you then, when so when I represented the same in person

you will kindly, I beg, lay this before the Secretary & obtain a favourable order from him, who, I am sure will be pleased to take the matter into his kind consideration.

Begging to be pardoned for the trouble I remain

Yours very obediently

FROM

THE INSPECTOR GENERAL OF POLICE IN MYSORE.

To

THE SECRETARY TO THE GOVT. OF MYSORE,

SIR,

I have the honor to bring to the notice of Government the fact that the rate of daily batta allowed to Policemen while on duty, viz 3/10ths of a day's pay with a minimum of an anna and a half is insufficient to meet their legitimate requirements. I have ascertained that the minimum charges for a day's food are 3 annas in villages and 4 annas in towns. As the men cannot

Enclosure

afford to pay this, they (5) have no o
way but to get provisions themse
and cook their own meals. In
Mofussil, especially in the Malv
parts, it takes time and trouble
procure provisions and water.
result is that Policemen detailed
special duty outside their Distri
in connection with dacoities and
other emergent work have either
to spend most of their time and
energy in getting meals cooked f
themselves, or have to go on scant
and insufficient food. In either
way their effectiveness is serious
impaired.

2. I would, under the abov
circumstances, request that Govern
-ment be pleased to sanction a
minimum batta of 3 annas pe
day with one anna extra for M
tracts for all Policemen deta
on such duty outside their Distr

6/
Entitles them to batta.

3. I need not point out to Govern-
ent that the case of Policemen sent
ifferent parts of the Province for
detection and prevention of crime is
ry different from that of peons and
escars who follow officers in their
circuits and with reference to whom,
rule, 557(b), has apparently been
amed.

4. I would solicit that orders
ay be passed very early on this
ference so that the Special Reserve
en now working in the Shimoga

e recent dacoities may have the
nefit of the concession.

SIR,

In continuation of this office letter No. 3628/411 dated 28th April 1897, recommending the increased rate of batta of 3 annas per day with one anna extra for malnad tracts for all Policemen detailed on special duty, I have the honor to forward herewith copy of a memo dated 15th Ultimo from the Assistant Superintendent of Police, Shimoga, and to request

that under the circumstances brought to notice in the Memo, you will be so good as to move the Government to accord sanction to the increased batta being granted also to Barr Sepoys detailed on special duty in the Shimoga District.

Memo.

Owing to recent dacoities in this District it became necessary to indent for additional Police and also for Barr Sepoys and Savars to be posted in disturbed localities. Herein is enclosed a statement shewing the distribution of the additional men and officers kindly placed by the Inspector General of Police at the disposal of this District as well as of the Barr Sepoys and Savars obtained from the Military Department. As this arrangement is to continue until the close of the hot weather, I think it nothing but right that the Special Reserve men and the Barr Sepoys and Silledars should get fair allowance or batta so long as they remain on this duty.

2t

It need hardly be said that the nature of the duty devolving on these persons is very arduous and trying attended with great priva- tion and discomfort. To expect them to work with a will some special Consideration should, I think, be shown to them. Owing to high prices of grain in the market the Cost of living has become great. Our local hotel- keepers charge 3 annas per meal. Bearing this in mind I do not think I shall be Considered exorbitant when I recommend the following rates of batta to them ie 4 annas per diem in maidan, 5 annas per diem in malnad.

I request the Deputy Com-

Commissioner to kindly move the Inspector General of Police to order the disbursement of batta at the above mentioned rates in anticipation of Government sanction.
